Photo

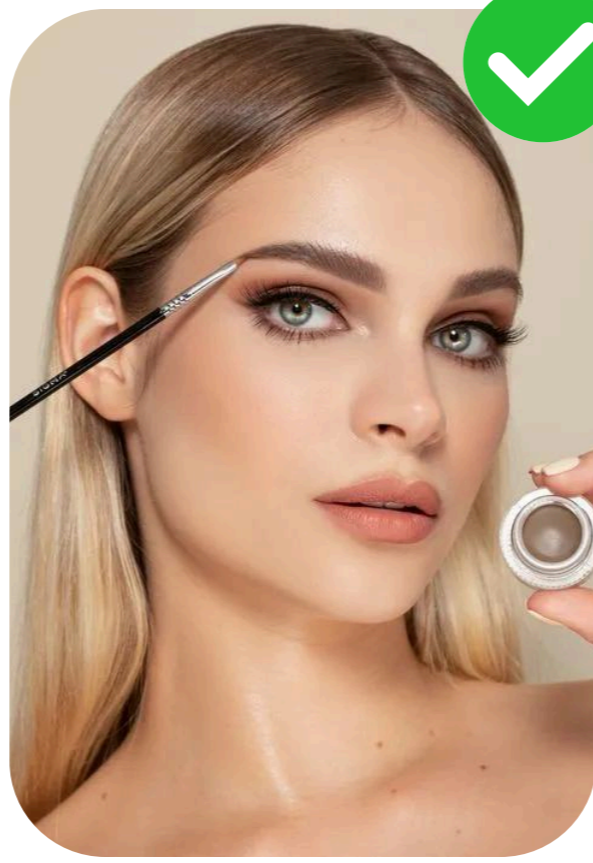

RFID Card Reader

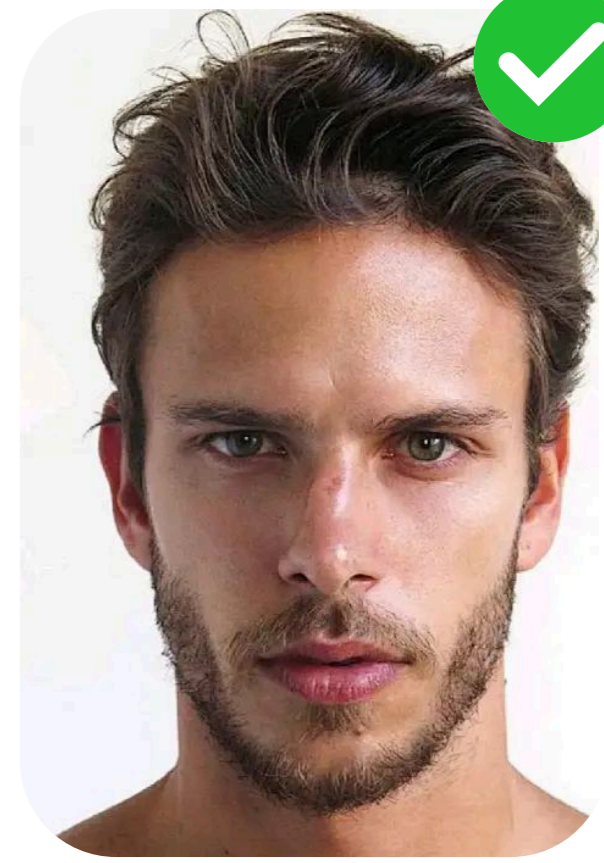

Adapts to Facial Changes and Varying Light Conditions

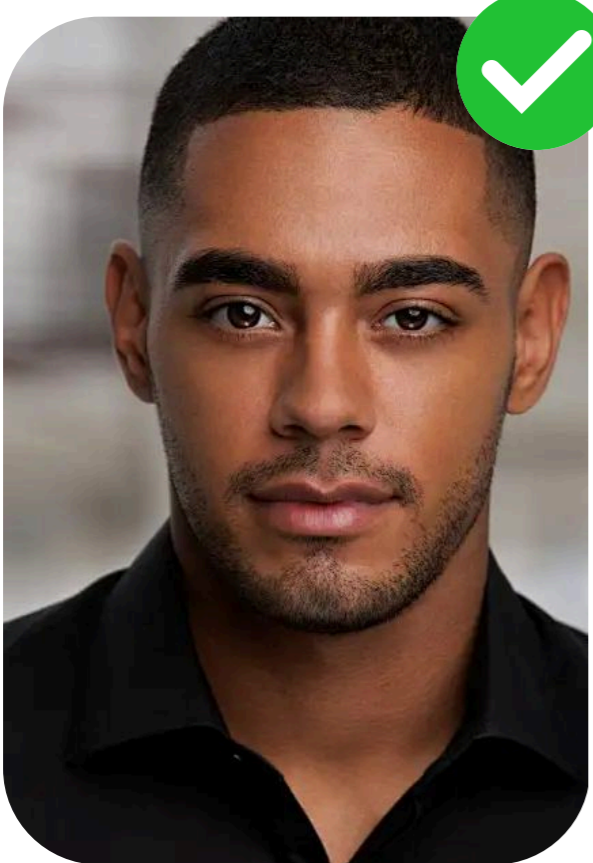

Wear Glasses

Makeup

Mustache

Dark Skin Tones

Wear A Hat

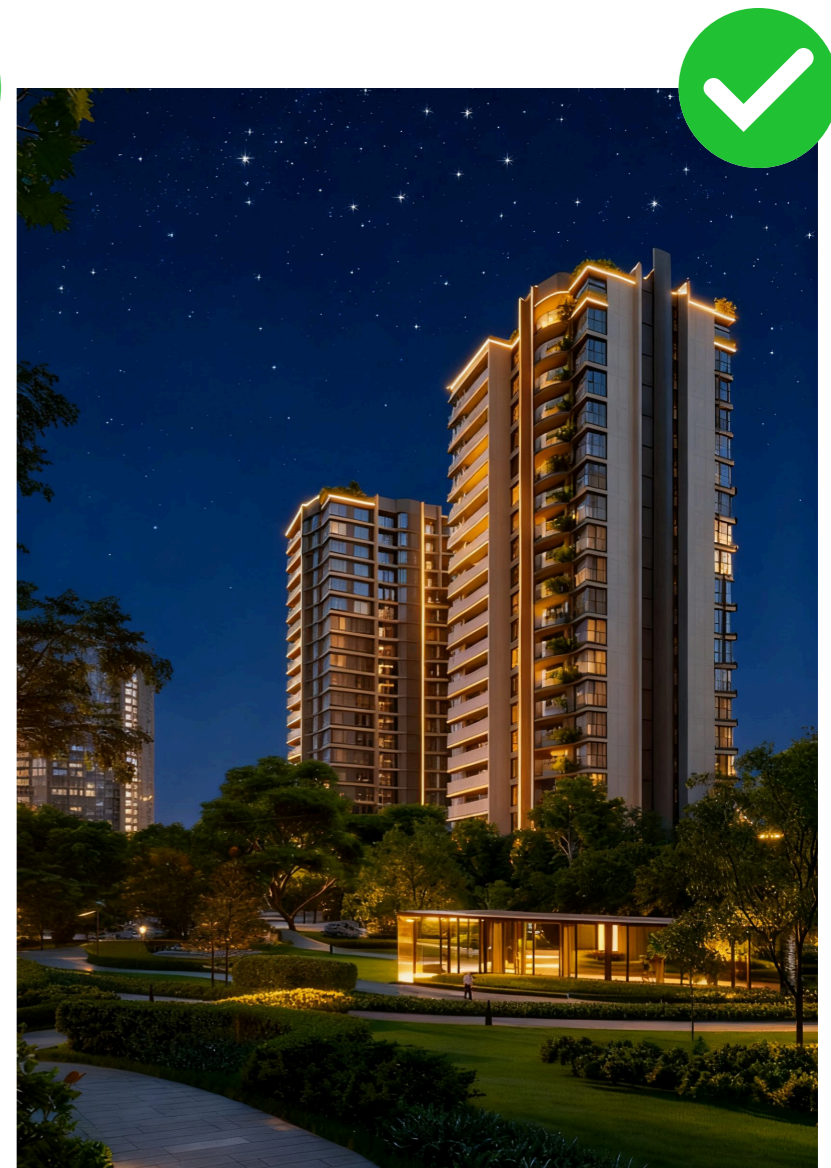

Wear Mask

Strong Frontlight

Strong Backlight

Insufficient Backlight

Ultra-Large Face Database

Supports a face database of 5,000

Facial Recognition

Recognition Speed Accuracy Rate

$\leq 1S$

$\geq 99\%$

Please Proceed

Provide Cloud Platform

Supports cloud-based online management, automatic access record storage, one-click attendance report export for efficient administration.

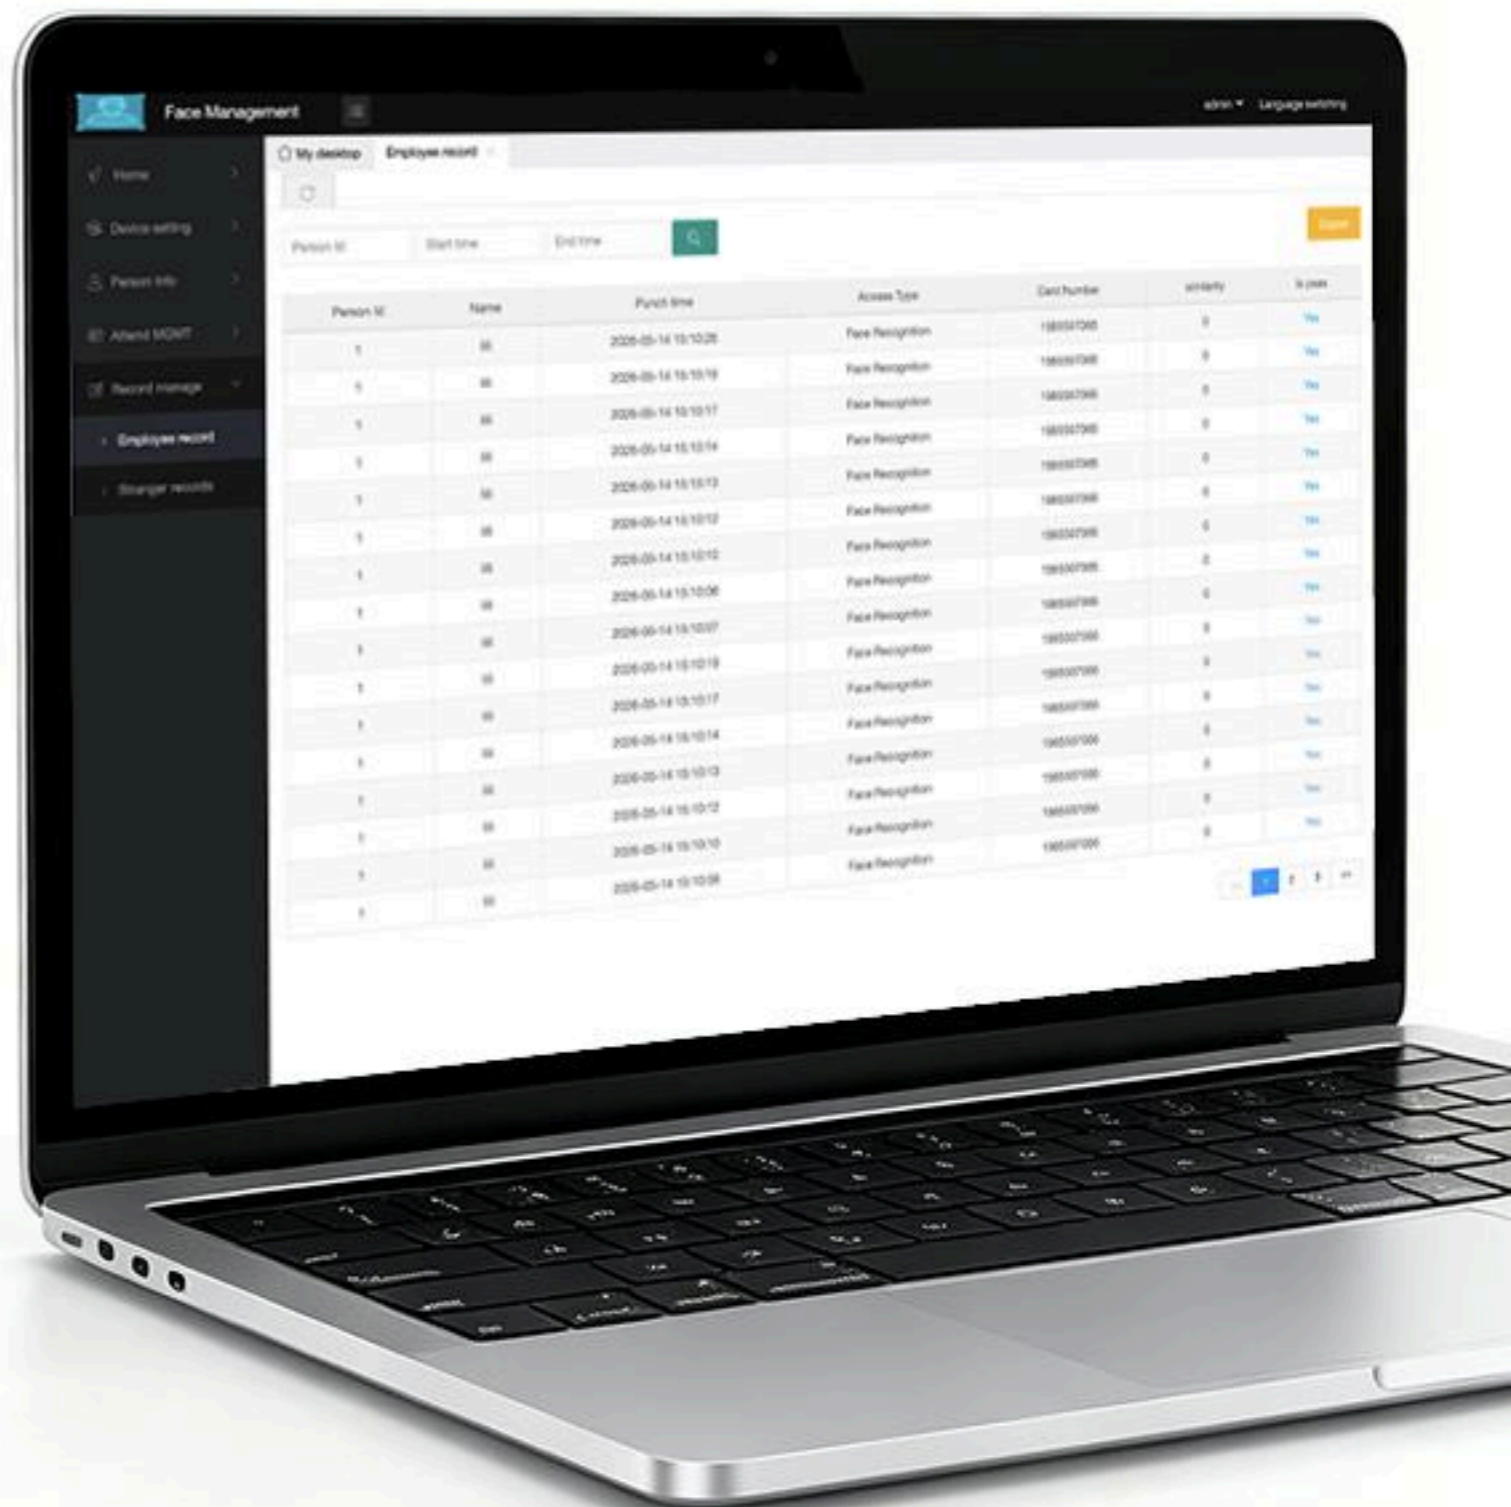

Safe

Convenient

Efficient

IP54 Waterproof

Dustproof

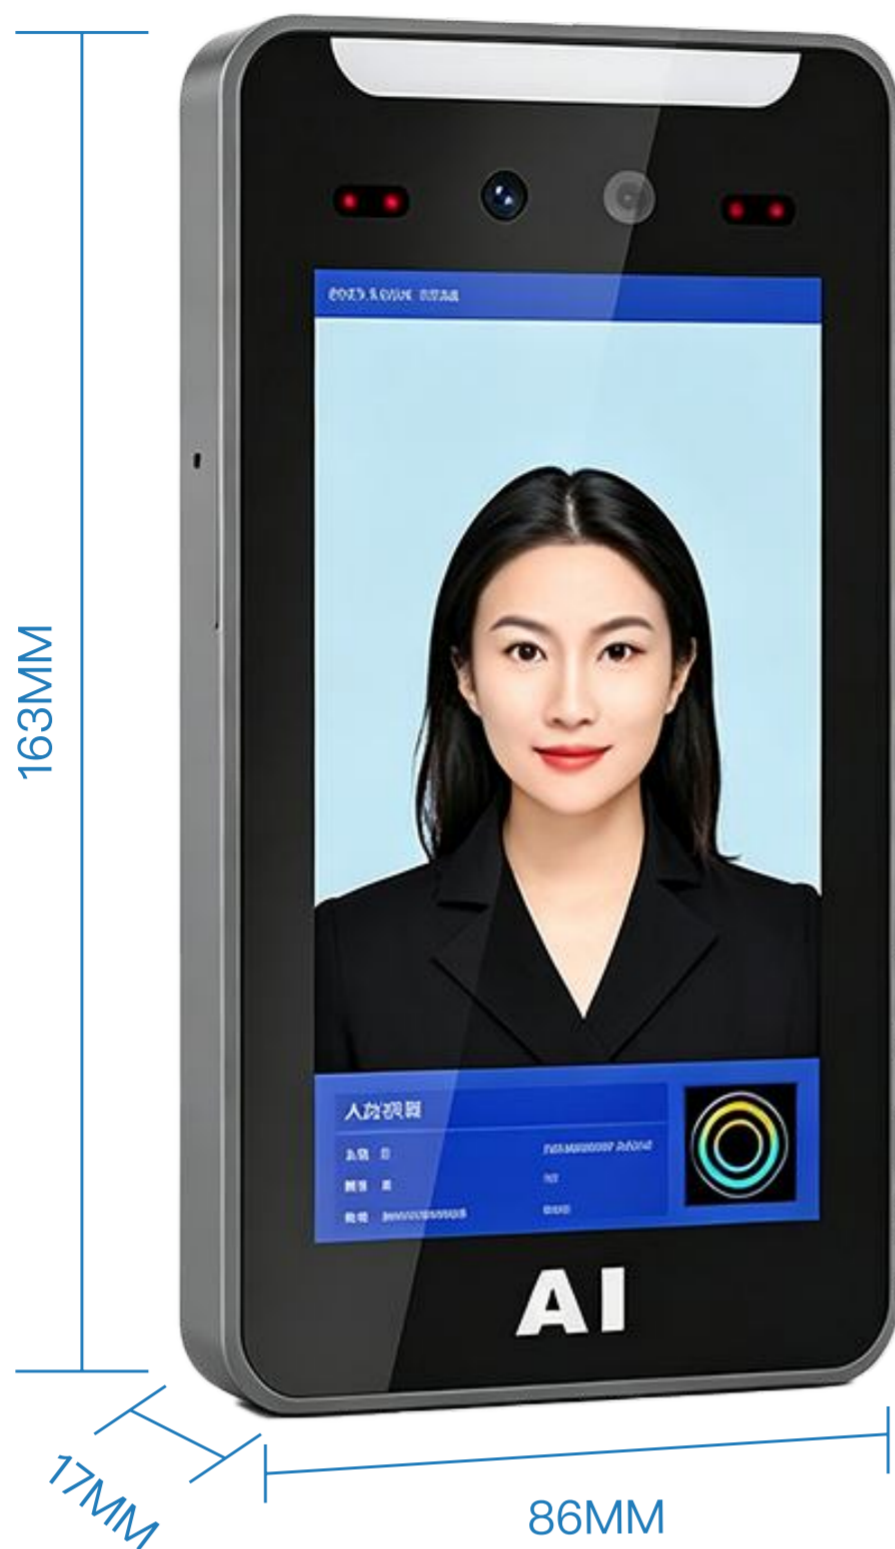

Weatherproof

Operating Temperature:
-20°C to 70°C

Interfaces and Definitions
